

CRASH MUSEUM ACTIVITIES AND EVENTS

Click [HERE](#) to open the actual CRASH Museum Activities and Events agenda. At the moment it is in the Dutch language but you can translate it easily using [Google Translate](#).

The Crash airwar and resistance museum '40-'45 has a full agenda every year. These activities and events cover special topics through seminars. We also organize Radio weekends and The well visited annual [Red Ball Express](#). Every 6 months we have a new temporary exhibition. At the moment the subject of the temporary exhibition is "Liberation and Retribution". In the first week of september we will be opening a new exhibition with the title: 'Resistance'.
